

Loose Furniture Collection

ONE SERIES

Wink

< L7116

Wink, the versatile and ergonomic seat in which shapes and finishes are in perfect harmony, was born from the encounter between aesthetics and comfort. City is designed to live every moment of the day with the greatest comfort and serenity.

Hera

< L7101

The designers combined a smooth and naturally curved structure with sharp lines to create a one-piece all-day comfort fit design for Hera.

Lunar

< D331

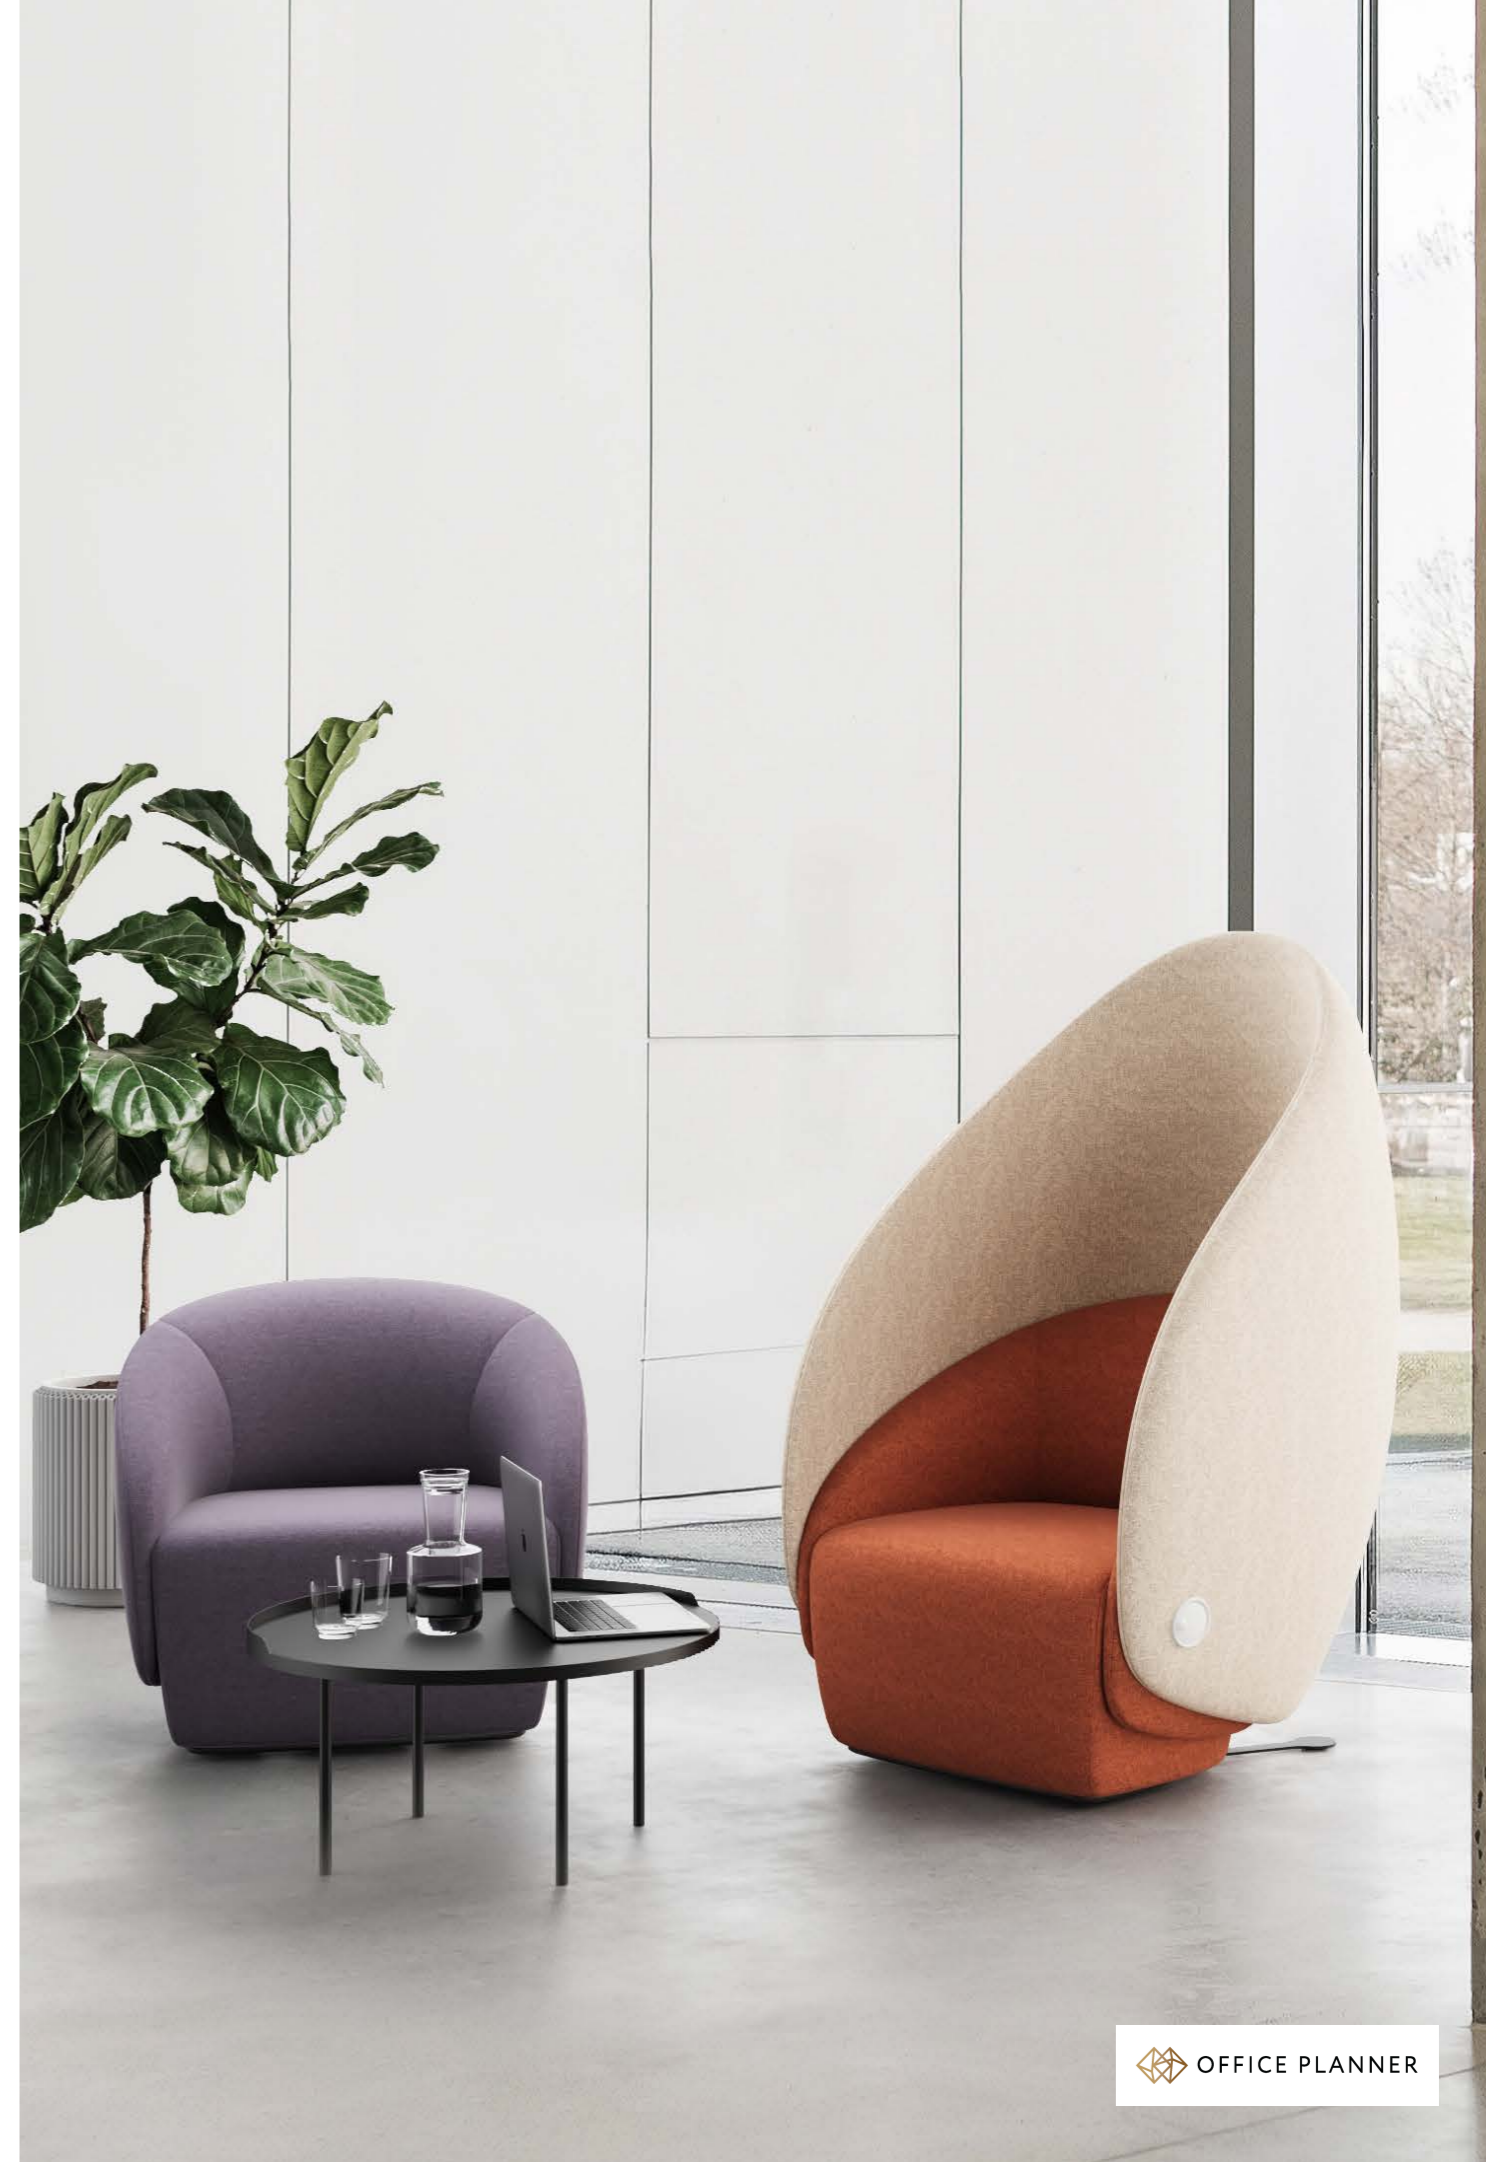

Lunar's simple and compact structure still creates a variety of combination. Whether it is used at home or in a public space, Lunar can add a richer sense of spatial level with different color combinations.

Zeus

< L7115

Zeus is a small lounge full of features, not only providing absolute comfort, but also creating a cozy environment.

Chick

< L7111

The Chico chair provides multiple configurations, wide range of colors and upholstery, and variety of bases, meeting the diversified demands for public and private spaces.

Spade

< L7117

Spade, meeting your privacy needs in an office environment. Spade is designed to create a quiet, private space in a noisy office or public environment, ensuring that users can concentrate and communicate without being affected by noise.

SUPREME SEATING SERIES

A relaxed and comfortable office environment helps to building a sense of belonging and stimulating more creativity. By matching different sizes of desktops and chairs to create a relaxed and comfortable leisure meeting area, people could take a break here from stressful work to improve well-being and work efficiency.

Lutie

> L7102

Lutie is designed in smooth lines and precise proportions for the balanced aesthetics. Two options of base present different styles. The overall soft colors add the warmth to the space.

Rotatable 360 °

Bloom

< L7103

Bloom's backrest is slightly reclined, wide and comfortable, the headrest is just right place to support your head to take away all your fatigue. Bloom's wish is to let you enjoy a slow-paced life. It's like the blooming flower, takes you to the green field with gentle breeze . Close your eyes and feel the embrace of nature and time slowly passing by.

Rotatable 360 °

Alce

> L7105

It's simple and elegant designed with great comfort.

Alice

> L7105

Alice creates a modern aesthetics with the perfect combination of fine materials and exquisite sewing technology.

Ranch

< L7107

Ranch is inspired by the saddle and sitting posture of the horse rider. The design conforms to the ergonomic sitting habits, which can maintain a natural upright posture at any time.

T Amo

< L7108

T Amo is inspired by nature in the form of a four-leaf clover, the petal-like surface symbolizes faith, hope, love and luck

Unique

< D325

It's designed in lightweight and compact posture with simple and elegant colors. It is very suitable for meeting, lounge and other public spaces.

Uni

< D325

The leather of Unique is soft and delicate.
The light and modern design enhances the
space atmosphere.

Rome

< D326

The strength of Rome is in its carefully designed details and proportions. Perfect curves and right angles offer users the best sitting experience.

Morley

< D327

The minimalist design ensures the essential comfort. Its circular backrest helps user to feel relaxed with a sense of embracement.

Lars

< D328

Lars is simple and elegant designed with the needs of office and leisure spaces to provide you with high quality and comfortable sitting experience. It's available in 3 configurations perfectly suited for casual meetings, office and public spaces.

SOFA SERIES

The resting postures used before the invention of chairs were squatting and kneeling. The invention of chair was to meet people's requirements for comfort, and the invention of sofa not only depends on the development of industry and technology, but also people's unremitting pursuit of a better life.

Grandeur

< L7106

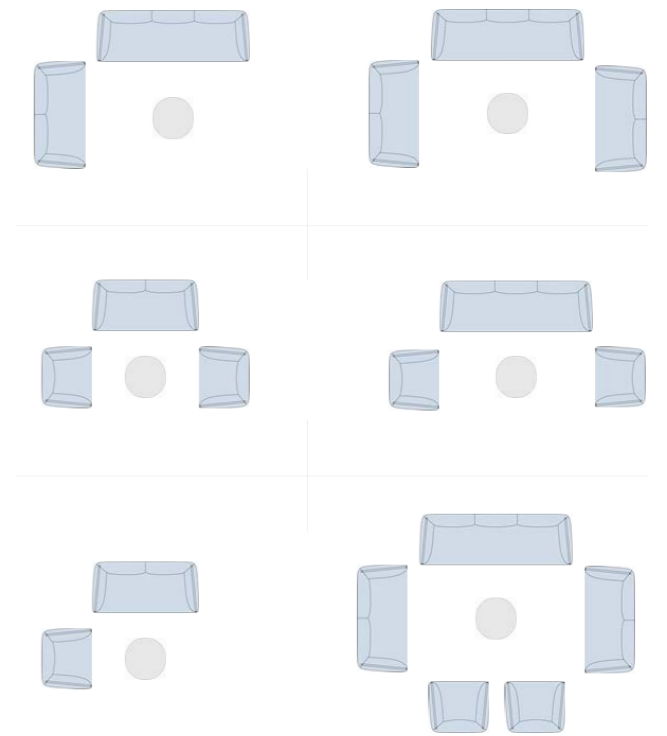

Superb materials and exquisite craftsmanship add a touch of high-end customization to the design.

Grandeur

< L7106

Tulip

> L7110

The simple colors with elegant lines create an extremely romantic atmosphere like blooming flowers.

Breeze

> L713

Breeze style is extremely simple and elegant, playing with the aesthetic feeling of straight lines and curves, but not suddenly pull away, The iron frame ensures firmness. Like the spring breeze gives you the most gentle enjoyment, with your cat, take a nap ~

SIMPLE
AND
ELEGANT DESIGN

Cosmos

< L7112

Cosmos, without sharp corners for the design, brings comfortable and cozy leisure with every detail.

Kalon

< L7113

Kalon is shaped like a combination of blocks that can be adapted to single and multi-person use scenarios. It is suitable for a studio, shared office space and a private home space.
